The mix of Amusement and Other as a percentage of total revenue increased 130 basis points to 59.2% in the first quarter of 2019 from 57.9% in last year's first quarter.

Comparable store sales decreased 0.3% in the first quarter 2019, compared to a decrease of 4.9% in the comparable period last year. Our comparable store sales decrease was driven by a 0.6% decline in walk-in sales, though special events sales were up 3.0%. Comparable store sales increased 1.8% in Amusements & Other but decreased 3.3% in Food & Beverage. Non-comparable store revenues increased \$32.6 million, or 76.8%, in the first quarter 2019 to \$75.0 million.

Operating income decreased 1.5% to \$57.7 million in the first quarter of 2019 from \$58.6 million in the first quarter of 2018. As a percentage of total revenues, operating income decreased 170 basis points to 15.9% from 17.6%.

Net income was \$42.4 million, or \$1.13 per diluted share (37.6 million diluted share base) in the first quarter of 2019 compared to \$42.2 million, or \$1.04 per diluted share (40.6 million diluted share base) in the first quarter of 2018.

EBITDA increased 3.2% to \$88.9 million in the first quarter of 2019 from \$86.1 million in the first quarter of 2018. As a percentage of total revenues, EBITDA decreased 150 basis points to 24.4% from 25.9%.

As a percentage of total revenues, store operating income before depreciation and amortization decreased 180 basis points to 31.0% from 32.8%.

#### **Development**

In fiscal 2019, we remain on track to open 15 to 16 new locations, representing unit growth of approximately 12% (net of Gwinnett (Duluth), Georgia closing), consistent with our target of 10% or more annual unit growth. At the top end of the range, these store openings will include 11 large and 5 small format locations and will skew towards new markets for our brand.

During the first quarter of 2019, we opened seven new stores in Louisville, Kentucky; North Hills (Pittsburgh), Pennsylvania; Thousand Oaks, California; Daytona Beach, Florida; Fairfax, Virginia; Ft. Myers, Florida; and Sevierville, Tennessee. During the second quarter, we have already opened a store in Winston-Salem, North Carolina and we plan to open two more stores in the quarter in Gaithersburg, Maryland (northwest of

Washington, D.C.) and Natick, Massachusetts (west of Boston). As of June 4, 2019, there were 8 stores under construction.

### **Capital Allocation Initiatives**

During the first quarter of 2019, we repurchased approximately 1.3 million shares for \$63.5 million. As of the end of the quarter, the inception-to-date total was 7.6 million shares for \$393.3 million and we had \$206.7 million remaining under our share repurchase authorization. During the first quarter of 2019, we paid a quarterly cash dividend of \$0.15 per share.

### **Adoption of New Accounting Guidance**

The Company adopted Accounting Standards Codification 842, *Leases (Topic 842)* ("ASC 842") during the first quarter of 2019. ASC 842 requires a lessee to recognize assets and liabilities on the balance sheet for leases with lease terms greater than 12 months. The adoption of ASC 842 resulted in the recognition of operating lease right-of-use assets and lease liabilities on the Company's consolidated balance sheet. The effect of the adoption of ASC 842 on the Company's net income and cash flows was immaterial.
